POWER COLUMN WITH INTEGRATED  
CABLE MANAGEMENT

The TUSCAN is an all-in-one solution that combines Eubiq's groundbreaking power track technology with an ingenious cable management system and an elegant columnar design, offering two-sided access to power.

## FEATURES

- **No limits**

Add and remove plugs anywhere on the column, at any time, with a simple push and turn. Never search for an extra power outlet again.

- **Integrated cable management**

Eliminate clutter and take control of cable entry and exit points with the flexible built-in cable management system.

- **Zero installation**

Simply plug it in to a power source and the TUSCAN is ready to go.

- **Portable convenience**

Sleek, light and durable, the TUSCAN makes for a versatile addition to any environment.

- **Safe and certified**

Eubiq's award-winning patented GSS (Grounded Sentry Spring) system is globally recognised as safe and shockproof.
