

# TRIGON

POWER COLUMN WITH INTEGRATED  
CABLE MANAGEMENT

# INTEGRATED POWER AND DATA SOLUTION

Designed around the SFC3 Modular Track, TRIGON combines Eubiq's groundbreaking power track technology with an intelligent cable management system housed in an elegant column design, providing three-way access to power and data.

## INTELLIGENT CABLE MANAGEMENT

Insert plug and engage adaptor.

Tuck access cable into cable management compartment.

Organised cable management.

## FEATURES

### Unlimited Possibilities

Add, remove and reposition power points anywhere along the track, at any time, with a simple push and turn.

### Installation Free

Connect to a power outlet and the TRIGON is ready to go.

### Intelligent Cable Management

Eliminate cable clutter with the flexible built-in cable management system.

### Ultra-Safe

Award-winning patented GSS (Grounded Sentry Spring) system is recognised worldwide as the safest system, the only system that is child-safe.

### Compatible

TRIGON is compatible with all GSS System Adaptors and Accessories.
