

CARE AND MAINTENANCE

The Premium Series Surge Protector is a product of superior design and craftsmanship and should be treated with care. The following information will help you to protect your warranty coverage.

- The product is manufactured to be stored and used at room temperature.
- Keep the device dry.
- Do not store the product in dirty or dusty areas.
- Do not expose the product to rough handling.
- Do not use harsh chemicals, cleaning solvents or strong detergents to clean the product. Use a soft, dry cloth to gently wipe the surface of the product.

ADDITIONAL SAFETY INFORMATION

- The product is designed for indoor use only.
- The Surge Protector is not a lightning arrester and may not fully protect against lightning-induced voltage surges.
- **DO NOT USE** the Surge Protector if:
 - 'PROTECTION' Red LED indicator turns on.
 - it has been exposed to rain or water.
 - liquid has been spilled on it.
 - it has been dropped or damaged in any way.

TROUBLESHOOTING

Status of LED Light Indicators	
BLUE LED Light - ON	Normal operation. Circuit is protected.
BLUE LED Light - ON GREEN LED Light - ON	Get a qualified electrician to check wiring to the track. Scenario A - Earth/Ground wire may not be properly terminated. Scenario B - High resistance to Earth. Scenario C - Both of the above.
BLUE LED Light - OFF GREEN LED Light - ON	No grounding. Get a qualified electrician to check wiring to the track.
BLUE LED Light - OFF RED LED Light - ON	Not protected. Surge Protector is damaged after surge. Contact Eubiq agent for service details.

TECHNICAL SPECIFICATIONS

SP3 Premium Surge Protector	
Rated Voltage	110-250V a.c.
Rated Current	0.05A
Frequency	50-60Hz
Maximum Spike Voltage	6,000V
Maximum Spike Current	21,000A
	L-N: 7,000A
	L-E: 7,000A
	N-E: 7,000A
Maximum Energy Dissipation	660J
	L-N: 220J
	L-E: 220J
	N-E: 220J
Response Time	<1 ns
EMI/RFI Noise Filtration	150kHz to 100MHz, up to 43dB reduction
Diameter x Depth	Ø67.3 x 51.5mm
Weight	Est. 90grams

Warranty 1 year against manufacturing defects, subject to the Eubiq Limited Warranty Statement

USER GUIDE

IMPORTANT SAFETY INFORMATION

- This user guide contains important product operating instructions, safety and maintenance information.
- Please read the user guide fully before use.

Do not slide along the track.

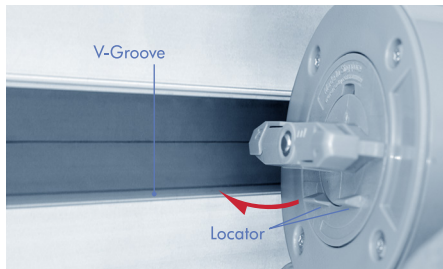

Keep away from fire.

Keep away from water.

Not for outdoor use.

Align Locator to V-Groove.
Push Surge Protector in to engage.

To "ON", turn the Surge Protector clockwise until it is upright. A "Click" sound will be heard when it is switched on.

Under normal operating conditions, only the BLUE LED indicators will light up. For more information on the LED indicators, please refer to the 'TROUBLESHOOTING' section overleaf.
